Photo Submissions Guidelines

- Upload high-quality* entries using our online form at https://www.rollrite.com/rr_products
 - *Use the highest quality setting your camera allows (high quality JPEG). Entries that are compressed for social media or smaller than 800 pixels wide (or file sizes less than 1MB) are not suitable for printed media and may only be featured online.
- Testimonials are optional and we reserve the right to publish testimonials with or without photos.
- **Photos of the Month** will be selected based on Roll-Rite® tarp system shown with tarp partially deployed or fully deployed covering vehicle body or load. Entrants with preferred entries selected for a published calendar will receive a copy of published calendar. Published calendars are not guaranteed and will be at the discretion of Roll-Rite® based on entries received. Photo of the Month winners may also be entered into a Photo of the Year for an additional surprise giveaway at year end.
- Photos must be submitted by the original photographer, vehicle owner, or company representative. Photos that include an identifiable person, watermark, copyright or that appear professionally taken cannot be accepted or published without a signed copy of copyright release from photographer or studio. Entrant represents and warrants that the Submission does not and will not infringe, misappropriate, or otherwise violate any right, including any intellectual property or privacy right, of any third party.
- Sponsor reserves the right to reject any entries that it deems, in its sole discretion, to be inappropriate, for any reason whatsoever.
